

YOUR PRIVACY MATTERS TO US

1. **WHAT ARE COOKIES-** Cookies are small files that are usually saved to your device through your web browser. We use cookies to provide the user better functionality as well as to make the website experience easy and effective for them. These cookies provide session information about the user when accessing the different pages on this site. By using cookies, they are the most efficient method of remembering the user.

2. **CATEGORIES OF COOKIES AND ANY TRACKING TECHNOLOGIES USED-** The cookies we use are categorized by different functionalities as well as purposes. Some of these cookies vary from being mandatory for technical purposes to third-party and advertising used by other sites. These cookies are not used to identify you personally.
 - **Strictly Necessary Cookies:** These types of cookies are strictly needed for the user to be able to use our services. For example, being able to login as well as the implementation of site security. Without these, our sites will not be able to run. These types cannot be disabled.

 - **Performance Cookies:** These cookies help provide statistical information about our site. Which usually measures page load speeds, most frequently visited page, and how long a session may last. It also helps determine what locations visitors come from.

 - **Functional Cookies:** These types of cookies are used to help determine user preferences that they choose such as themes, regions, as well as language. It helps us remember who you are when you visit our site.

 - **Targeting:** Our site contains cookies which can come from third party websites. Mostly used for advertising and tracking. These cookies collect information about user activities on this site as well as other sites for targeted advertising. We do NOT have any control of these kinds of cookies.

3. YOUR COOKIE CHOICES AND HOW TO OPT OUT

If you do not want any Cookies or tracking technologies, you can opt out of this through the OneTrust tool by clicking [here](#). You may enable and disable certain cookies except for strictly necessary ones. In the instance that you are using our services through a browser, you can view your cookies and be able to manage them through your browser's settings. For more help and information on how to manage cookies you can visit <http://www.aboutcookies.org>. As well as <https://cookiepedia.co.uk/giving-consent-to-cookies> for more information on cookie consent.
